

Disaster Preparedness Kit

The following is a list of suggested items to stock in the event of an emergency. Remember that being prepared is critical in emergencies, and while this is a suggested list, depending on the situation, your kit may require additional supplies.

Recommended preparation supply list:

- First aid kit
- Bottled drinking water
- Non-perishable foods
- Emergency contact list
- Spare eye-glasses or contact lenses
- Back-up generator and oil
- Gasoline
- Batteries (AA, C, D and 9V)
- Battery-powered radio
- Blankets
- Cash, credit cards
- Charged cell phone, charger and extra cell phone battery
- Extension cords
- Flashlights
- Insect repellent
- Manual can opener
- Masking/duct tape
- Matches
- Necessary medication
- Signal flares
- Utility knife
- Driver's license, keys, insurance papers and other important documents – keep them in a water-tight, fire-safe compartment
- Soap, shampoo and toiletries
- Towels
- Pet supplies (food, water, leash, kennel, records)
- Room air conditioner
- Ceiling fan
- Electric fan
- Hoses

Recommended clean-up product list:

- Brooms and mops
- Axes, hand saws and pruners
- Cleaning disinfectants and rags
- Masking/duct tape
- Trash bags
- Shovels and rakes
- Wheelbarrow
- Camera (to document damage)
- Chain saw
- Cordless drill and other cordless power tools
- Generator
- Hammer
- Nails and screws
- Rope and/or bungee cords
- Screw driver
- Wrench
- Tarps and drop cloths
- Work boots or heavy shoes
- Life vests
